

PRESS RELEASE

The Energy Policy and Development Centre (KEPA) of NKUA is interested to cooperate with institutions, organizations and persons in proposal preparation and submission for projects funded by the EU and other international organizations.

KEPA is the United Nations Academic Impact (UNAI) global Hub for the 7th Sustainable Development Goal (SDG7) and is responsible for co-ordinating the Green Energy Network of the Black Sea Economic Co-operation Organization (BSEC).

KEPA has a long tradition of extroversial activity and cooperation with institutions and countries of EU, BSEC and Asia.

Interested persons are invited to contact KEPA (at epgsec@kepa.uoa.gr) and provide an informative note (half page length) concerning relevant activities.
